

NADEET

Urban
Sustainability
Centre

for sustainability

We invite you to visit our hands-on, sustainability day visitors centre!

- Explore the unique, hands-on “Sustainability Activity House”
- Discover more about Namibia’s energy, water and biodiversity resources
- Learn about environmental threats such as climate change, pollution & apathy

Green Centre ~ 5 Libertina Amathila Avenue
Swakopmund ~ Namibia

Through educator-led programmes and self-guided activities, the **NaDEET Urban Sustainability Centre** aims to challenge assumptions about the impact of our lifestyle choices and to offer ideas to finding suitable everyday solutions to environmental problems.

Programmes we offer:

- **Self-guided visit**

Ideal for all! Come visit during opening hours.

- **1/2 day school programme**

All ages & grades, booking required!

- **School Enviro Club**

Designed for secondary school learners.

- **Young Urban Professionals (YUP)**

All adults welcome.
